

PhD School “ Nano- and Physical Sciences”-2009

Basic solid state physics (4 ECTS)
(Prof. Guido Goldoni)

Crystalline Structures and Electronic Properties
Impurities
Electronic Dynamic in Crystals
Transport Properties in Solids
Low-dimensional Structures

Will be held in the following days at first floor Physic Department:

- 1) Monday 4/5 11-13 Room D
- 2) Tuesday 5/5 11-13 Room D
- 3) Wednesday 6/5 11-13 Room D
- 4) Tuesday 7/5 11-13 Room D
- 5) Wednesday 8/5 11-13 Room D

The director of the PhD School
Stefano Ossicini
